Title: Need to give clearance for the renovation of Malampuzha Dam site and Garden project in Kerala.

SHRI N.N. KRISHNADAS (PALGHAT): Malampuzha Dam site and the garden is the most attractive tourist point in Kerala. It has been constructed 53 years ago. Now it is out dated due to the new tourism trends. So the Tourism Department of Kerala have prepared a most modern protect for the total renovation sof this important tourist point. For financial assistance that project has been submitted before the tourism ministry of the Union Government But still it is awaiting the clearance from the Union Government So, I urge upon the Government to give clearance to this important project at the earliest.
